*The readmission fee is not required for EOP students or for military personnel returning from active duty. If you are returning from active duty, you must provide a copy of your active-duty paperwork along with this readmission application.

Eligibility

Your readmission application will be reviewed by your college Dean. If you are accepted for readmission, you will be admitted to the same college and major as in your last quarter of attendance.

Processing Time

You can expect email verification of receipt of your application in the Office of the Admissions and Records within two-three days of submission. Completed Readmission applications are forwarded to your Dean's Office for admission decisions. Response times vary depending on when the application is received and whether you have submitted any required transfer transcripts.

Transfer Credit

If you attended another educational institution during your absence, you must send official transcripts to the Office of Admissions and Records. The Admissions Office will review these transcripts five to eight weeks after the quarter you return.
