

## THE UNIVERSITY

Stanton University is a private, nonprofit, public benefit educational institution that is located in southern California.

Stanton University strives to provide excellence in education by having well-prepared and experienced faculty and staff, by maintaining an updated facility that fosters educational growth in a pleasant and safe environment with modern classroom equipment, by maintaining high academic standards, and by providing excellent academic advising services to help students successfully complete their programs of study.

Stanton University is dedicated to providing students with a diverse and resourceful environment and equipping them with professional skills and knowledge to prepare them to excel in their current and future careers.

## DEGREE PROGRAMS

- **Associate of Applied Science in Professional Golf and Golf Complexes Management**
- **Bachelor of Arts in Business Administration**
- **Master of Business Administration**
- **Master of Science in Oriental Medicine**

## ADMISSIONS

Each degree and certificate program has specific admission requirements. Contact our admissions office for instructions or visit our website for more information.

Stanton University advises prospective students that they must supply complete and accurate information on the application for admission and on all other university forms. Failure to file complete, accurate and authentic application documents may result in denial of admission, cancellation of academic credit, suspension, or expulsion.

## INTERNATIONAL APPLICANTS

Stanton University welcomes applications from nonimmigrant F-1 visa students. Acceptance into a program is necessary before the U.S. Citizenship and Immigration Service (formerly INS) Form I-20 (Certificate of Eligibility) is issued by the university's International Student Admissions Officer (ISAO). The decision to grant an acceptance will be based on all evidence received prior to the deadline.

## EDUCATIONAL PHILOSOPHY

The quality of the educational experience at Stanton University is fostered by the close human and intellectual relationships between students and faculty, and by the open exchange of ideas.

The University is committed to a student-centered approach to learning that promotes the development of the whole person. We challenge our students to pursue lives of leadership and service by providing them with curricula that are relevant, individualized and supportive in sustaining a life-long love of learning and a personally rewarding career..
